

The Sage 50 People Package

"Sage 50 People Package - SAVE UP TO 50%"

Specially designed for small and growing business the Sage 50 People Package is a comprehensive collection of software, business and legislative advice services and technical support.

It lets you store and track all the important information relation to managing your people in one place. This mean you'll always have easy access to their personal details, holiday record, absences, working patterns, skills, performance and training details.

For more information on these Sage packages or any other Sage product contact
claire@alpha-systems.co.uk

The 50 People Package includes:

- Sage 50 Payroll Professional
- Sage 50 HR
- HR Business Advice Professional
- SageCover Extra
- E-Learning for Payroll Year End
- Five user licences across all software
- Includes upgrades to 2009/2010

All of the software within the Sage 50 People Package is fully supported by our dedicated team of technical advisors, giving you the peace of mind that experts are on hand. Furthermore, with the Sage 50 People Package you will always be using the latest technology.
